From the President

Leaves are turning bright as we settle into the coziness of fall. Our signature fall event, Heritage Night, is just around the corner on Saturday, November 2. This year's theme of "Welcome to the Heart of the Mountain," reflects the unique role of the Mt. Hood Museum.

In August, the annual Steiner Cabins Tour was one of the best ever. Thank you so much to the cabin owners for opening their homes to the tour! And thanks as well to the many volunteers who made this event a success.

The Steiner tour in 2020 promises to be a real barnburner. It will be centered in Rhododendron, which is celebrating its centennial, and encompassing 10 or more cabins on a walking loop. Mark your calendar now for Saturday, August 8.

Please join me in welcoming Michelle Richardson to our museum board of directors! Michelle has ties to the local community, owns a small Steiner, and does fire watch for the USFS. We know Michelle will bring fresh energy and ideas to our board.

As we welcome Michelle, we are preparing to see another change as Diane Lokting steps down at the end of the year after 10 years on the board. Diane has made countless invaluable contributions to the museum over the past 10 years, working long hours every week to promote the museum and serving as our grant writer. Thank you, Diane! She has promised to stay involved with the museum.

Diane's departure creates the need for an experienced grant writer at the museum. As a nonprofit organization, we rely on grant support for funding in many ways from operations to expansion. If you would like to learn more about our grant writing needs, please contact the museum at your earliest convenience. We are also still looking for additional board members, so please let us know if you are interested in learning more about the position.

As we continue with our Capital Campaign for planned museum expansion, we are moving ahead with designs for Phase 1 of the three-phase project, which expands the archives, club room, and deck. Exciting times for sure, and we look to you for continued support as we chart a course for the future.

I hope to see you at Heritage Night!
